Royal Cricketers Arms

INTRODUCTION

First licensed in 1880, The Royal Cricketers Arms has catered for locals for over 100 years. Just like the 19th century, life here moves at the same slow and simple pace as it did back then. Set amongst a semi-rural setting and under 100 year old trees the Royal Cricketers Arms offers a variety of function spaces and semi-private areas for you to celebrate your function or event.

For an informal yet chic & unique dining experience why not book the Piano Room, steeped in history and old fashion charm it is perfect for that intimate group.

The Back Verandah offers an outdoor, undercover area overlooking the gardens and is ideally suited for work functions or that informal birthday party. If you are looking for a more private space then you can't go past The Shed that can offer seating for up to 60 people and a private bar under the trees.
